## *Birthday Parties*

### **Birthday Parties**

Birthday Parties at Maryland State Gym are a great value for the parents, and a lot of fun for the kids. During our parties an instructor will plan games and activities along with gymnastics, cheerleading or sports activities for your child and their guests. We keep the kids busy having fun and the instructor helps the children learn new skills and explore the different activities throughout the party.

#### **About Our School**

MD State Gym is a year round school. Throughout the year our students continue to learn and grow. When they achieve 80% of the skills at their level, they move to the next level. Each level has new objectives and challenges.

#### **About Our Teachers**

Each Party is taught by a skilled teacher that is trained by both our senior staff as well as certified by USA Gymnastics.

#### **Possible Party Activities**

Tumbling, Cheering, Team Games, Relay Races, Trampoline, Moon Bounce, Rope Climb, Cargo Net Climb, Gymnastics Skills, Balance Beam, Rings, Vaulting etc. You may suggest activities if you would like before or during the party.

#### **Who Can come**

Students of all ages may attend your child's party. We recommend that you try to have students of the same age participate in activities. Parents may come out to watch and may convene in the party cafeteria. Parents may take as many pictures as they would like and we encourage extended family to attend.
